

Spendency named a 2020 Spend Matters Provider to Watch for second consecutive year

PRESS RELEASE

Swedish Procurement Analytics Solution Spendency makes global list

21st of April 2020

STOCKHOLM – Spendency AB has been named a 2020 Provider to Watch by world renowned Source Tech specialists Spend Matters.

The recognition highlights Spendency’s end user popularity and sharp increase in sales and geographical footprint in the last 12 months.

This marks the second consecutive year Spendency has been named a Spend Matters Provider to Watch.

Spend Matters routinely reviews the latest procurement technology and service offerings to help organisations make informed vendor selection decisions. The 50 Providers to Watch/Know lists are the result of deep analysis and corroboration among all Spend Matters analysts and reflect the publication’s unbiased, independent view of the organizations to know and watch.

“We are proud and excited about making the list this year again. Only about one company out of four that made it onto the 2019 list also made the 2020 list, which makes this extra special. We see it as a confirmation that our focus on user experience is much appreciated by the global procurement community and we hope this will further propel our global growth” says Spendency CEO Nils Lundgren.
